

Hanqing Li

Curriculum vitae

hanqing.li@ucalgary.ca | Google Scholar | lihanqing1997.github.io

Education

University of Calgary

PhD student in Statistics; supervisor: Xuewen Lu

Calgary, Canada

Sept 2023 – Present

Jiangxi University of Finance and Economics

MSc in Statistics

Nanchang, China

Sept 2020 – Jun 2023

Changchun Normal University

BSc in Mathematics

Changchun, China

Sept 2015 – Jun 2019

Publications

Journal Articles

Chen, Y., & **Li, H.** (2026). Variance component estimation under a general area-level model.

The Survey Statistician, 93, 52–61.

Zeng, K., Luo, L., & **Li, H.** (2025). Does policy finance promote domestic industrial gradient

relocation? Evidence from China. *Quantitative Finance and Economics*, 9(4), 810–831.

Fan, Y., Liu, X., Luo, T., Rao, Y., & **Li, H.** (2024). Testing serial correlation in a general

d-factor model with possible infinite variance. *Journal of Applied Statistics*, 51(9), 1709–1728.

Li, H., Liu, X., Chen, Y., & Fan, Y. (2022). Testing for serial correlation in autoregressive

exogenous models with possible GARCH errors. *Entropy*, 24(8), 1076.

Preprints

Li, H., Lu, X., & Chen, Y. (2026). Bayesian model averaging under predictor redundancy via

density-ratio posterior compression. *arXiv:2606.21080*.

Li, H., & Lu, X. (2026). Bernstein-von Mises theorem for sparse generalized linear models.

arXiv:2605.27137.

Presentations

Li, H., & Lu, X. (2025). *Group spike-and-slab lasso for high-dimensional Cox proportional*

hazards models. Oral presentation, 2025 Annual Meeting of the Statistical Society of Canada, Saskatoon, Saskatchewan, May 27, 2025.

Teaching Experience

University of Calgary

Teaching Assistant

Calgary, Canada

Sept 2023 – Present

- STAT 205: Introduction to Statistical Inquiry
- STAT 213: Introduction to Statistics I
- STAT 217: Introduction to Statistics II
- MATH 267: University Calculus II
- STAT 321: Introduction to Probability
- STAT 429: Linear Models and Their Applications
- STAT 533/633: Survival Models
- DATA 602: Statistical Data Analysis

Nanchang Normal University

Instructor

Nanchang, China

Sept 2021 – Dec 2021

- Probability and Statistics

Honors and Awards

- Graduate Assistant Teaching (GAT) Excellence Award, Winter 2026
- Alberta Graduate Excellence Scholarship (AGES), 2023–2024 and 2024–2025
- Chinese National Scholarship, 2021–2022
